

A personal message from Mr Stephen Curran, Headteacher

Hello,

As one of Bradford's leading secondary schools, we pride ourselves on providing a rewarding, long-term career with training and development opportunities for all staff.

Our core purpose is to maximise the potential of every learner and provide them with the skills, qualities, qualifications and opportunities needed to succeed in an ever-changing world.

This is a really big year for Tong High School as it is our golden jubilee. The school first opened its doors to students in 1964, and a lot has happened since then!

In 2012, we launched PRIDE, this simply outlines our school values; **Positivity, Respect, Innovation, Determination and Excellence**. Having a set of shared values enhances our culture and ethos, not only within the school but wider into our community where everyone involved thrives on the challenge to improve and get better every day.

As an employer, we take an inclusive approach to recruitment and provide every single one of our staff with tailored support and training to enhance their own personal and professional development, as well as their satisfaction within the role and working environment.

At Tong our staff and students benefit from a 21st Century Learning Environment. Our facilities are so extensive that they are used as a training base by; Bradford Bulls Rugby League Club, Halifax Town, Heaton Tennis Club and many more. You are invited to take a 360° tour of our facilities online at http://www.tongschool.co.uk/virtual_tour.htm.

You can find out more about Tong High School via our website www.tongschool.co.uk, Facebook 'The Official Tong High School' and Twitter @Tong_HighSchool.

If you are interested in becoming part of this inclusive, enjoyable and supportive working culture and have the ability to enthuse, motivate and care for our students, please get in touch and share in our future success.

Mr Stephen Curran

Headteacher
